Inclusion

We invite individuals with disabilities to take part in any course listed in the department brochure. To ensure an individual's success in a program, staff known as "inclusion coaches" will be available to provide assistance. The Therapeutic Recreation staff provide assistance based on reasonable accommodations, which are determined on a case-by-case basis. We ask that an inclusion coach be requested at least three weeks prior to the start of a summer camp or program. Please submit all requests for summer camp inclusion coaches no later than May 18th.
