BRICKS 4 KIDZ

Mining, Crafting and Capturing Camp

Campers face new challenges each day, building models and crafting key elements from the popular Minecraft game. You will craft shelters and some of the mobs, critters and tools using LEGO bricks. Get ready for adventure in the world of Poke'mon! Capture wild Poke'mon creatures and train them for battle. Tap into your inner engineer as we build Dratini, Pikachu, Poke' Balls, and more. Bring your own Poke'mon trading cards if you wish to play and trade on the final day of class. Please bring a snack and a drink/water to each class. Course registration fee includes all material and supplies. For ages 6-10.

Monday – Thursday, July 24-27, 1-5 p.m. \$120 Course 32462

Jurassic Brick Land Camp

Build a world that comes to life with gentle Brontosaurus, ferocious Velociraptors, terrifying T. Rex, and more. Campers ages 6-10 will learn about amazing dinosaurs that lived during the Jurassic period, and other extinct, prehistoric animals that roamed the earth and swam the seas during that era and millions of years later. Show us your building skills using our specialized project kits! Come learn, build and play at Jurassic Brick Land Camp. All campers will take home a mini-figure and crafts. Please bring a snack and a drink/water to each class. Course registration fee includes all materials and supplies.

City Buildings & Architects Camp

Join Bricks 4 Kidz and learn what it takes to become a LEGO city planner. Explore and build the structures and landscapes of a city. Campers ages 6-12 will work together to design and build the city of their dreams using LEGO Bricks. The architects may plan a road, propose a monument or design a park, school or skyscraper. Builders will put on their "safety hats" and assemble motorized models of city vehicles and equipment. Each camper will create their own LEGO nametag to hold their custom LEGO mini-figure and build a LEGO mini-model to take home. Course registration fee includes all materials and supplies.
