ONE DAY WORKSHOPS

Babysitting

This American Red Cross Certified babysitting training will teach youths, ages 11-15, the knowledge and skills needed to safely and responsibly care for infants to school-age children. The program is certified by the American Red Cross and students will receive a certificate of completion. Class Instructor is Carolyn Wallace.

Parks and Recreation Administration Building, 6801 Mimms Loop
Saturdays, 10 a.m. - 4 p.m.

Feb. 10	\$70	Course 33233
March 3	\$70	Course 33234
March 17	\$70	Course 33235

Pediatric CPR and First Aid Workshop

Carolyn Wallace will teach former babysitting students and others interested in learning the proper first aid and CPR techniques for infants and children. Students will practice and participate in hands on demonstrations. For ages 11 to adults. A certificate of completion will be awarded at the end of the workshop.

Parks and Recreation Administration Building, 6801 Mimms Loop
Saturday, April 14, 10 a.m.-4 p.m. \$70 Course 33301

ArtZ—Offering a Multimedia Art Experience!

ArtZ always provides a new art experience each week! Miss Mary's art program is for ages 7-12 and offers a multimedia art experience! Paint, clay, brushes, graphite pencils, canvases, oil and chalk pastels, artist grade paper and colored pencils...mix them all together and what do you get? An art class filled with exciting and imaginative art projects! From acrylic paints to zentangles, a wide variety of hands-on activities are offered that introduce new art techniques each week. Visit www.Artz-rva.com for more detailed course information. Please bring an old shirt since being creative can be messy! Course registration fee includes all material and supplies needed for these seven-week sessions.

YOUNG REMBRANTS

Wild and Wacky Winter Draw-toons

Encourage your child's enthusiasm for art and help develop his or her drawing skills with a Young Rembrandts draw-tooning class. This combination of cartooning and traditional drawing lessons will stoke your child's artistic fire. Colorful pop art dog and incredible relevant art history are just two of the drawings they'll learn and LOVE. Your child also will learn personification as they transform ordinary cameras into fully realized cartoon characters and tell a story through a series of humorous drawings. Encourage your child's creativity. Enroll today! For students ages 5-12. The \$75 registration fee includes all material and supplies needed for the six-week session. Classes held January-February at 16 various elementary school locations directly after school. Program flyers will be distributed to students in the host schools. Visit www.youngrembrandts.com/metro-richmond-va

Spectacularly Silly Spring Cartoons

Do your kids have cabin fever? Young Rembrandts has the remedy – ART!! Our content is based on child-friendly subjects that open the imagination and stretch the mind. In our cartoon classes, students will learn animation techniques, how to personify ordinary objects and to tell a story through a cartoon sequence. Young Rembrandts strives to inspire your child's imaginative spirit and boosts classic learning skills. Don't miss out, enroll now! For students ages 5-12. The \$75 registration fee includes all material and supplies needed for the six-week session. Classes held April-May at 17 various elementary school locations directly after school. Program flyers will be distributed to students in the host schools. Visit www.youngrembrandts.com/metro-richmond-va

BRICKS 4 KIDZ

Bricks for Kidz is an educational company that uses LEGO Bricks to teach Science, Technology, Engineering, Mathematics and Art in fun and exciting hands-on ways.

Extreme Ninjas

Whether your child likes ninjas, LEGO or both, your fan will spin with excitement in this action-packed session! Participants will use LEGO bricks, technic pieces, gears and motors to build the ninja domain of temples, dragons, awesome motorized ninja vehicles, ninja spinning machines and more. Students aged 6-12 will use their imaginations, creativity and LEGO building knowledge to dive into the extreme world of ninjas! Each student will build and take home a custom LEGO mini-figure. Registration fee includes all materials and supplies.

maclinj@chesterfield.gov

Mining & Crafting

Minecraft is a popular game about placing blocks to create anything you can imagine. Students will use LEGO Bricks to build 3-D character models and mosaics including Steve and Creeper and use our Bricks 4 Kidz technic brick kits to build motorized key elements from the world of Minecrafts. Join Bricks 4 Kidz for this fun, hands-on S.T.E.M. based after school program and see how the game of Minecraft reinforces architecture and engineering! Registration fee includes all materials and supplies.

Ecoff Elementary, 5200 Ecoff Avenue

Mondays, Jan. 22-March 5, 3:50-4:50 p.m. \$75 Course 33243

Wells Elementary, 13101 S. Chester Road

Wednesdays, April 11-May 16, 3-4 p.m. \$75 Course 33244

Hening Elementary, 5230 Chicora Drive

Thursdays, Jan. 18-Feb. 22, 3:50-4:50 p.m. \$75 Course 33242

Falling Creek Elementary, 4800 Hopkins Road

Friday, Jan. 19-March 2, 3:50-4:50 p.m. \$75 Course 33241

Wheels in Motion

These wheels are ready to roll! Students ages 6-12 will use LEGO bricks, axles, pulleys, gears and motors to build a variety of models on wheels. Some are familiar vehicles, such as a fire engine and delivery truck. Others are more spectacular, such as the Rescue Robot and K-bot. Put your speed bot to the test as you race against others using remote controls. Explore concepts of speed and force and gain non-vehicle knowledge from the unconventional Wheels in Motion models as well. Each student will build and take a custom LEGO mini-figure. Registration fee includes all materials and supplies.

Greenfield Elementary, 10751 Savoy Road

Tuesdays, April 17-May 22, 3:50-4:50 p.m. \$75 Course 33236

Jacobs Elementary, 8800 Jacobs Road

Wednesdays, April 18-May 23, 3-4 p.m. \$75 Course 33237

Grange Hall Elementary, 19301 Hull Street

Tuesdays, April 17-May 22, 3:50-4:50 p.m. \$75 Course 33238

Providence Elementary, 11001 West Providence Road

Thursdays, April 19-May 24, 3:50-4:50 p.m. \$75 Course 33239

Swift Creek Elementary, 13800 Genito Road

Fridays, April 20-May 25, 3:50-4:50 p.m. \$75 Course 33240

CHALLENGE ISLAND

A unique and wildly popular enrichment program that promotes and fosters integral creative and critical thinking skills in children. Kids divide into cooperative tribes and take on exciting challenges set on action-packed thematic "islands." Our innovative approach emphasizes STEAM(science, technology, engineering, art and math) and core language arts skills. Registration fee includes all materials and supplies. For ages 5-14.

Hollywood Island

Out STEMtastic tribes will take on challenges at star-studded destinations including Wicked Witch Twist, Wizardry Academy and Dinosaur Park. Hollywood Island promises to be a Blockbuster hit so be sure to get your seat soon! Registration fee includes all materials and supplies.
