

PROJECTS IN THE PARKS

Parks & Recreation Comprehensive Master Plan

The Parks and Recreation Comprehensive Master Plan was approved by the Chesterfield Board of Supervisors on April 25. The master plan moves Chesterfield forward as a First Choice destination for quality parks, facilities, sites and programs. For more information, visit www.chesterfield.gov/parksmasterplan/

Cogbill Community Park Master Plan

Over 40 citizens and county officials attended the second public meeting presenting options for a park master plan for the new Cogbill Park. The Honorable Mr. Jim Holland, Board of Supervisors representative for Dale District and Mr. Michael Jackson, Dale District Planning Commissioner both addressed citizens and were available to support staff in answering questions about the new park. For more information, visit www.chesterfield.gov/Parks.aspx?id=6442483788#kogbill

Bensley Futsal Court Renovation

The Bensley Park futsal courts have been renovated and are available for play.

Horner Park Maintenance Headquarters

The new Horner Park maintenance headquarters provides a centralized facility for the rapidly expanding western part of the county.

Harry G. Daniel Park at Iron Bridge tennis courts converted to Pickleball courts

Clay tennis courts at Harry G. Daniel Park at Iron Bridge have been converted to pickleball courts to meet growing needs.
