Nominate Chesterfield County to win \$20K for a county park during April.

Help get our county nominated for the Meet Me at the Park initiative, which kicks off this April during Earth Month. If we win, one of our parks will receive a \$20K grant for improvements. Meet Me at the Park was created by The National Recreation and Park Association (NRPA) and The Walt Disney Company, including Disney Citizenship, Disney|ABC Television Group and ESPN, to help revitalize parks across the country.

You could win, too

When you nominate our county, you'll be entered into a contest to win a tablet outfitted for the outdoors. The locality with the most nominations at the end of April will receive the funding.

Parks help make our lives better. They inspire healthy living, help protect the environment and bring people together. Support our local parks this Earth Month by visiting them and nominating our county to improve a lucky park!
