

Tie it down.

DO YOUR PART TO KEEP CHESTERFIELD COUNTY ROADS LITTER-FREE

and prevent accidents by tying down your load. After all, it's the law!

Tips for properly tying down your load

- Use a tarp or net that completely covers your trailer or truck bed.
- Secure the tarp or net with rope or bungee cords.
- Check your trailer or truck for holes, cracks or other openings where debris could escape.
- Remove any loose material that may still be in your trailer or truck bed before leaving the convenience centers.
