

Prevention Services presents

ADHD/ADD Skill-Building and Support Group

Children must have received a diagnosis of ADHD to attend this group.

The group will help children better understand ADHD/ADD and develop skills for success. Topics will include organization, staying focused, thinking before acting and managing feelings.

The groups will be held on Thursdays, July 7, 14, 21, 28, at the Central Library, 9501 Lori Road.

Times:

10-10:45 a.m. - Rising second and third-graders

11-11:45 a.m. - Rising fourth and fifth graders

1-1:45 p.m. - Rising middle schoolers

Preregistration is required. Fee is \$20
