Approval of Minutes

April minutes approved as posted.

Reports

Chairman's Report –

- None

Emergency Management –

- The Safe and Sound Schools workshop was held today. The workshop focused on lessons learned from the Sandy Hook school shooting and was attended by stakeholders who would be involved in the response and recovery aspects of a school crisis.
- A full-scale active threat exercise will be held with CCPS on July 25th.

Community Emergency Response Team (CERT) –

- CERT members participated in multiple regional activities in the past couple of weeks including the Richmond Airport triennial full scale exercise, the John Tyler Community College EMT and Nursing Program full-scale exercise and the Red Cross sound the alarm event.

Health Department/ Medical Reserve Corps (MRC)

- The measles outbreak is not yet a concern in Virginia but the Department of Health is reviewing strategies for the possibility.
- There is a Hepatitis A outbreak in Virginia and the Department of Health is working on vaccinations.
- There was a recent all staff shelter training in advance of the 2019 Hurricane Season.

Homeland Security

- None.

Neighborhood Watch

- None

CEPC Spotlight – Andrew Hoover, Essentra

Unfinished Business –

- The HazMat Expo was well attended by exhibitors and vendors. Those who attended gave positive feedback and enjoyed the networking opportunity. The event was not well attended by the public.

New Business –

- None.

Roundtable Member Discussion:

Bill Paxton – The state is developing a drone program.

There being no further business, the meeting was adjourned at 4:40 p.m. **The next CEPC Meeting will be on Thursday, June 6, 2019 in the Multipurpose Rooms of the Community Development Center located at 9800 Government Center Pkwy at 3:30 p.m.**
