Electoral Board Meeting Minutes September 19, 2023

Attendees:

Electoral Board Members: Dorothy Jaeckle, Chair
Rick Michael, Vice Chair
Lynette P. Clements, Secretary

Registrar Staff: Missy Vera, Registrar
Leslie Foreman, Elections Manager

Call to Order:

Vice-Chair Rick Michael called the reconvened meeting to order at 11:10 a.m. noting that it was an emergency meeting for a single purpose.

Agenda:

Precinct 518-Midlothian North had been approved to be relocated from the Lifelong Learning Center to Mt. Pisgah Methodist Church. Unfortunately, the church was unable to accommodate this change. No notifications of this change have been sent to voters and the LifeLong Learning Institute agreed to continue as the location for the precinct.

With no time to correct this problem through the normal process involving the Board of Supervisors and the mandatory public hearing, a temporary solution requiring state approval was being pursued with this meeting.

A motion was made and approved to have the registrar prepare an emergency request from the Va. Department of Elections that would allow voting of 518-Midlothian North to occur at the Lifelong Learning Center.

The Registrar reported that the request was approved (pending our motion). Discussion followed as to how the board will review the status of this location in a timely manner prior to the next election cycle.

The meeting was adjourned at 11:19 a.m.

Respectfully submitted,

Lynette Clements, Secretary
