EVENT MANAGEMENT SCHOOL

Mark Pinney, Special Event Coordinator, attended the NRPA Event Management School last week at Oglebay Conference Center in West Virginia. The International Festivals & Events Association and NRPA partnered to create this two-year professional development program geared toward event management staff. Mark completed his 2nd year of the program and is now a Certified Festival and Event Associate (CFEA). Over 50 individuals attended the second year program, six of them from Virginia. Second-year topics included event security, budget development, sponsorship proposals, social media policy, risk management, part-

nerships, use of volunteers and much more. Congratulations Mark on becoming a CFEA!
