YOUNG REMBRANTS

Winter Drawtooning

Students will flex their creative muscle as they take on artistic challenges. Funny expressions and hilarious animals are just a few cartoon pieces they will create. Students will master perspective and personality as they enjoy creating amazing pieces of artwork. For students ages 5-12. \$75 registration fee includes all materials and supplies needed. Classes held February- March at 17 various elementary school locations directly after school. Program flyers will be distributed to students in the host schools.

Spring Cartooning

Our students will learn how to personify inanimate objects. Popular pets and clocks will see the cartoon treatments as they're transformed into colorful characters. Drawing toys can be just as much fun as playing with them. Imagine yourself traveling to far away worlds as we illustrate amazing alien beings. For students ages 5-12. \$75 registration fee includes all materials and supplies. Classes held April -May at 17 various elementary school locations directly after school. Program flyers will be distributed to students in the host schools.

ARTZ- OFFERING A MULTIMEDIA ART EXPERIENCE!

Miss Mary's art program is for ages 7-12 and offers a multimedia art experience. Paint, clay, brushes, graphite pencils, canvases, oil and chalk pastels, artist grade paper and colored pencils... mix them all together and what do you get? An art class filled with exciting and imaginative art projects. Please bring an old shirt since being creative can be messy. Course registration fee includes all materials and supplies needed.

BRICKS 4 KIDZ

Bricks for Kidz is a STEAM educational company that uses LEGO Bricks to teach science, technology, engineering, mathematics and art in fun and exciting hands-on ways.

Winter Brick Fun

Bring the winter fun indoors with interactive Bricks 4 Kidz models of some popular winter activities from the hair-raising thrill of the luge to more relaxing pace of the horse and sleigh. Students ages 5-12 build the all-business snowplow as well as the all- fun snow mobile. Our winter theme would not be complete without ice hockey and skiing. All you need to create these winter memories are our bricks and your imagination. Registration fee includes all materials and supplies.

Ecoff Elementary, 5200 Ecoff Road

Mondays, Jan. 13-Feb. 24, 4-5 p.m. (not held 1/20, 2/17)

\$65

Course 36241

Wells Elementary, 13101 S. Chester Road

Tuesdays, Jan. 14-Feb. 11, 2:20-3:20 p.m.

\$65

Course 36242

Hening Elementary, 5230 Chicora Drive

Thursdays, Jan. 16-Feb. 13, 4-5 p.m.

Course 36244

Galaxy Far Away

Join us on an adventurous journey through space. Students ages 5-12 will build a rocket to blast through the atmosphere into a realm that is truly out of this world. Build that world where rebels Fighter and the Dark side Fighter start epic battles. Students will build motorized models that represent spacecraft from your favorite popular space movie and learn a lot about space along the way. Registration includes all materials and supplies.

Ecoff Elementary, 5200 Ecoff Avenue

Mondays, April 20-May 18, 4-5 p.m.

\$65

Course 36245

Wells Elementary, 13101 S. Chester Road

Tuesdays, April 21-May 19, 2:20-3:20 p.m.

\$65

Course 36246

Hening Elementary, 5230 Chicora Drive

Thursdays, April 23-May 21, 4-5 p.m.

\$65

Course 36247

Enon Elementary, 2001 E. Hundred Road

Fridays, April 24-May 22, 4-5 p.m.

\$65

Course 36248

Game On

Put down the controllers and the computers and join us as we bring the characters of popular video games to life using LEGO Bricks. Fortnite, Minecraft, Mario Bros and Pokemon are a few of the games this session will include. Students will build motorized models, 3-D character builds and mosaics. Build with us and get your game on. Each student will build and take home a custom LEGO Figure.

Registration fee includes all materials and supplies.

Alberta Smith Elementary, 13200 Bailey Bridge Road

Mondays, Feb. 24-March 20, 3-4 p.m.

\$75

Course 36249

Grange Hall Elementary, 19301 Hull Street

Tuesdays, Feb. 18-March 24, 3-4 p.m.

COMMUNITY RECREATION

Details: Jackie Maclin, 748-1123 or maclinj@chesterfield.gov

Gadgets & Gizmos

Students will love our interactive Bricks 4 Kidz models made from specialty LEGO Technic Brick kits. This course is all about the fun of doing something with what you've built. From a spinning top and foosball table top game to a spin art machine and battle tops model, students will love playing with their technic brick builds and motorized LEGO creations. Anticipate lots of STEM learning, too. Each student will build and take home a custom LEGO mini-figure. Registration fee includes all materials and supplies.
