

Chesterfield Courts' Audio/Video Upgrade

How are we doing with our courtroom upgrades?

The Chesterfield Courts and Chesterfield County are committed to providing attorneys, litigants, and staff with the necessary technology required to conduct civil and criminal court proceedings and to make the use of the technology as user-friendly as possible. We welcome your comments regarding the recent courtroom audio/video upgrade in the courtrooms noted. Through February 29, 2020, please provide input regarding the new A/V system. All feedback will be carefully considered as remaining courtrooms are upgraded over the next year.

Courtroom: Circuit Court 4 General District Court C Juvenile & Domestic Relations District Court 5
