

Route 10 Widening
Bermuda Triangle Road to Meadowville Road /
Old Bermuda Hundred Road

Design Public Hearing

WELCOME! Please sign in.

Why We Are Here

- . To provide you an opportunity to meet the project team
- . To present and allow you to review the current design plans for the Route 10 Widening project
- . To hear your comments which will be taken into consideration as the design continues to be refined

Why You Are Here

- . Review all of the information on display
- . Ask questions and talk to us about your concerns
- . Let us know your thoughts and ideas
- . Fill out the comment sheet or provide your oral comments

Project Overview

- . The proposed work includes widening existing Route 10 from four to eight lanes from the intersection at Bermuda Triangle Road to the intersection at Rivers Bend Boulevard. Improvements at the Route 10/Meadowville Road/Old Bermuda Hundred Road intersection include the addition of turn lanes and traffic signals.
- . Meadowville Road will be widened from two lanes to six lanes with a median from Route 10 to Hogans Drive. Old Bermuda Hundred Road will be widened from two lanes to four lanes from Route 10 southward 0.25 miles.
- . Improvements at the Meadowville Road/Rivers Bend Boulevard intersection include modifications to the existing turn lane configuration.
- . Sunset Boulevard connection with Rivers Bend Boulevard will be closed and a cul-de-sac will be provided. Sunset Boulevard will be extended to the east to intersect with Bermuda Hundred Road.
