

# NOW Is The Time To Volunteer For SOAR365 Summer Camps!

**"My experience at Camp Baker this past summer was outstanding.** I loved being able to talk, dance, and sing with campers, [and meet individuals who] have been attending Camp Baker for decades. Needless to say, **my experience as a Cabin Assistant was worthwhile.** I left wishing that I had known about Camp Baker sooner in my collegiate experience!" Summer is just around the corner, and that means **lots of great summer opportunities will be available for volunteers looking for a joyful one-of-a-kind service experience!** This year, SOAR365 @ Camp Baker will offer **ten weeks of summer camps for adults and kids** with disabilities (June 14-August 21), and volunteers are needed to support this program in many ways!

**To get started, check out the opportunities below:**

**Sunday Check-In Volunteers** are needed every Sunday from 11:30-4:00 to help greet campers, hand out water and snacks, and assist with the overnight check-in process.

**Cabin Assistants** work closely with counselor staff to ensure that campers are able to enjoy daily activities, move safely from one activity area to another, receive individualized support when needed, and get the most from their camp experience. The minimum time commitment for this opportunity is one full week (Monday-Thursday) from 9-5.

**Activity Assistants** help counselor staff to facilitate activities like Arts and Crafts, Music and Drama, Sports and Recreation, and Nature. Volunteers with demonstrated experience will also be considered for horseback riding, canoeing, and swimming activities. Volunteers may commit to one full week (Monday-Thursday) or one day per week for a minimum of four weeks.

**Lunch Servers** are needed every weekday from 11:30-1:30 to help set up the lunchroom, prepare and serve lunch, and assist with clean-up. Volunteers may commit to one full week (Monday-Thursday) or one day per week for a minimum of four weeks.

- Adult (18+) volunteers are welcome.
- Youth volunteers 16 and up may volunteer independently but previous experience with individuals with disabilities is required.
- Youth volunteers 12-15 must be accompanied by an adult supervisor.

**PLEASE NOTE:** Interested volunteers MUST complete the entire application process in order to participate, so send an email TODAY to [alison.jones-nassar@soar365.org](mailto:alison.jones-nassar@soar365.org)!
