

Complete this section if you are exempt from being a licensed contractor

Contractor exemptions- These are common exemptions from being a licensed contractor pursuant to Code of Virginia § 54.1-1101: owner or lessee performing work on a commercial building for his or her own use; owner or lessee performing work on not more than one residential building for his or her own use during any 24-month period; students performing work as part of a technical education project for the construction of portable classrooms or single family homes; governmental agencies performing work with its own forces

By checking this box I submit this statement to be true under penalty of perjury that I am not subject to licensure or certification as a contractor or subcontractor pursuant to chapter 11 of title 54.1 of the Code of Virginia, for the work described on this permit application.

Business License Requirement

Contractors applying for permits must confirm that taxes or license fees required by a county or municipality in Virginia have been paid. If the amount of business done by the contractor in Chesterfield County exceeds \$25,000 YTD, a Chesterfield County Business license is required.

By checking this box I submit this statement to be true under penalty of perjury that I have either a valid business license in a Virginia municipality that requires a business license, or I have a valid Chesterfield County business license.
