I authorize Chesterfield County to conduct a background investigation in connection with my application for an internship. This investigation may include information as to my criminal history, credit report, schools attended, degrees awarded, Division of Motor Vehicles records, present/past employers, professional references, personal references, online activity (to include but not limited to social networking sites and blogging services), military records and other appropriate sources.

Criminal background checks will be conducted on all intern applicants. Applicants will be required to submit to fingerprinting which will be forwarded to the Federal Bureau of Investigations. I authorize the release of any information that Chesterfield County may request from the above sources. I understand that for public safety internships the background check may include a polygraph examination. All information received by the County will be used by the County in accordance with applicable law. I understand that should I be offered an internship, it will be contingent upon a successful criminal background investigation.

I certify that the information provided in this application is true and correct, and that no attempt has been made to conceal pertinent information. I understand that if any information given by me on this application is found to be false or misleading, I will be subject to dismissal at any time.
