## Summer 2020 Activities

Due to the coronavirus pandemic, we have adapted our summer program offerings. As the situation changes, more programs may become available. Please stay updated by visiting the Parks and Recreation [website](#), [Facebook](#) and [Twitter](#) pages.

TO REGISTER ONLINE: <https://apm.activecommunities.com/chesterfieldparksrec?>

## Pre-School Nature Classes

- **Trees as Habitats:** A habitat is where a plant or animal finds everything it needs to survive, including food, water, shelter, and space for living and raising young. Explore the forests of Rockwood Park and discover who uses the trees as their entire habitat or just a part of the habitat.  
Sunday, 3-4 p.m., ages 3-5  
Aug. 16      Course 36961      \$5
- **Nature Explorers:** Fridays, 10-11 a.m., ages 3-5  
Parents must be present.

**Ants on Parade:** Explore the intriguing and wonderful world of ants. Create an ant costume, and join go on a socially-distant ant parade.  
Aug. 14      Course 36958      \$6

**Grow as we go:** Most animals look different when they grow up. Discover how some animals change completely. Explore the life cycles of frogs, some insects, and others.  
Aug. 28      Course 36960      \$6
