Voter Registration Deadline: October 13, 2020

On November 3rd Chesterfield County voters will be able to choose a slate of presidential and vice-presidential electors, a member of the U.S. Senate, a member of the U.S. House of Representatives, and consider two proposed amendments to the Constitution of Virginia. The Constitution of Virginia requires that voters be registered in the precinct in which they live in order to be qualified to vote. If you are not already registered to vote—or you need to update your registration information—the deadline to register or update your information is Tuesday, October 13, 2020.

Registered voters who need to change their address may do so by completing, signing, and submitting a voter registration application. Citizens can register to vote and check their voter registration information at www.vote.virginia.gov. The deadline to change registration information prior to the election is October 13, 2020. If a registered voter's address has changed, the voter should update his or her address to ensure he or she remains qualified to vote.

Any qualified resident of Virginia may apply for voter registration or update his or her registration information at the Registrar's office, located at 9848 Lori Rd, Chesterfield, VA 23832 or online at www.vote.virginia.gov.
