

NATURE PROGRAMS

For more information on these programs,
call Mark Battista at 318-8735 or
battistam@chesterfield.gov.
Register at least one week before programs.

DUTCH GAP CONSERVATION AREA

This 809-acre conservation area features bottomland forests, wetlands, ponds, meadows, a tidal lagoon, trails for hiking and biking, scenic areas for fishing and the Lagoon Water Trail. Hours: 8 a.m.-sunset. Directions: From I-95, take exit 61 (Route 10, Hopewell) east to first traffic signal. Turn left onto Old Stage Road (Route 732), travel two miles to stop sign at Coxendale and follow to park entrance on right, Henricus Park Road. Details: Noel Losen, 748-1129, or Mark Battista, 318-8735

FRIDAY FAMILY KAYAK TOURS

Attention Moms and Dads: Bring your kids (minimum age is 7) to the Dutch Gap Conservation Area to experience kayaking and explore nature. Single and tandem sit-on-top kayaks are available. This program will review basic paddling skills and give you a chance to paddle and explore the tidal lagoon. An adult must accompany and participate with child. Paddling time is approximately two hours. All programs meet at Henricus Visitor Center. Fridays, \$13/person

Paddle for the Prothonotary

Each year, the golden swamp warbler, or prothonotary warbler, returns to the tidal lagoon. Paddle the lagoon as we search, listen and learn about this special warbler.

June 15, 5-8 p.m. **Course 33478**

Paddle for the Blackberries

Do you like to paddle? Eat blackberries? Join us for a paddle excursion to learn about the tidal lagoon and feast on blackberries that you can pick while paddling.

June 29, 5-8 p.m. **Course 33489**

Graveyard Paddle

It's Friday the 13th. Come paddle to the graveyard to explore an old sunken tugboat and the "skeletons" of wooden barges and hear other tales of the tidal lagoon.

July 13, 5:30-8:30 p.m. **Course 33477**

Evening Paddle

Start your paddle as the sun starts to drop in the western sky and conclude after the sun sinks below the horizon. Learn about the wildlife and plants unique to the tidal lagoon.

July 27, 5:30-8:30 p.m. **Course 33475**

Ebb Tide in the Lagoon

Paddle the lagoon to see what's revealed at the graveyard and labyrinth as the tide ebbs.

Aug. 10, 5:30-8:30 p.m. **Course 33474**

Graveyard Paddle

Explore and learn how the tidal lagoon was formed by padding to the old sunken tugboat and the "skeletons" of wooden barges.

Aug. 24, 5-8 p.m. **Course 33478**

Exploring Island

Which island is home to the herons? Which one is a haven for young deer? Which island is home for osprey? Paddle the tidal lagoon to explore the various islands.

Aug. 31, 5:30-8:30 p.m. **Course 33476**

DAWN DISCOVERIES

Start your morning at the Dutch Gap Conservation Area and join the naturalists to explore the forest, wetlands, meadows, lagoon, vernal pool or river. All programs are \$5/child, unless noted, and begin at 9 a.m. at the Henricus Visitor Center. Unless noted, all programs are about 90 minutes in length and are for children ages 5-12. Register at least one week before program.

Birds of Dutch Gap

Bring your binoculars and head to the swamp and bluff to look for kingfisher, osprey, bald eagles, blue herons, indigo buntings and other birds of the conservation area.

June 26 **Course 33490**

Exploring Dutch Gap by Bike and Boat

Ride your fat-tire bike (or hybrid bike) and paddle our kayaks to explore the Dutch Gap Conservation Area. Bike an easy two miles to the Peninsula, then hop in our kayaks to explore the lagoon and cool off. Paddle will be about 45 minutes and total bike trip will be about four miles. This program will last about three hours. For children ages 9-12. Participants must bring their own bikes, water, bathing suit, towel and snack. Helmets are required. \$13 per child

July 3 **Course 33470**

July 24 **Course 33471**

Swamp Walk

Explore the new boardwalk that reaches into Aikens Swamp. Discover the wildlife and plants that thrive in this mysterious environ.

July 17 **Course 33491**

Butterflies and Dragonflies

Roam the fields and waterways with the naturalist to discover the colorful world of butterflies and dragonflies. Look for eastern tiger and zebra swallowtails, skippers, whitetails and eastern pond hawks. Nets and cages will be provided.

July 31 **Course 33472**

Creatures of the Swamp

Head out into the swamp (along our new boardwalk) to discover some of the creatures of the swamp. Find the beaver lodge and turtles basking in the sun. Use a net to find out what lurks in the deep.

Aug. 7 **Course 33492**

Tremendous Trees

Take a short hike to find and learn common trees. Find the honey locust armed with two-inch thorns! Find the tree that gives us sweet maple syrup or the tree that's called paw-paw.

Aug. 14 **Course 33473**

NATURE PROGRAMS

For more information on these programs, call Mark Battista at 318-8735 or battistam@chesterfield.gov. Register at least one week before programs.

PADDLES

Join the naturalist staff to paddle and explore our varied waterways. All trips include transportation, kayaks, life vest, paddle, paddling instructions, and guides. Unless noted, minimum age is 8. An adult must accompany children ages 8-14.

Tidal Lagoon Paddle

Paddle with the naturalist to explore and discover the Dutch Gap Conservation Area. Paddle to the graveyard, islands and the labyrinth. Search for great blues, bald eagles, osprey and other denizens of the tidal lagoon. Paddling time is approximately two hours.

Henricus Visitor Center, 251 Henricus Park Road
Saturday, June 16, 5:30-8:30 p.m. \$16 **Course 33486**

Cypress Swamp and Oxbow Paddle

Paddle into the Cypress Swamp, through open marsh and return along the oxbow. Observe the eagle and osprey nests and discover the wonders of the wetlands. Paddling time is approximately three hours. Minimum age is 10. An adult must accompany children ages 10-14.

Henricus Visitor Center, 251 Henricus Park Road
Saturday, June 30, 4:30-8:30 p.m. \$19 **Course 33493**

James River Float

Take a beautiful float trip from Bent Creek to James River State Park. This six-mile float will run through gentle rapids and along rolling mountain sides. Enjoy lunch along the river, dip into the refreshing water and learn about some of the wildlife that thrives in this watery world. Kayaks and transportation provided. Minimum age is 12. An adult must accompany children ages 12-16. Paddling time is about four hours.

Parks Maintenance Office, 9201 Public Works Road
Saturday, July 7, 8 a.m.-7 p.m. \$35 **Course 33480**

Sunset Paddle

Paddle into the evening hours as the sun drifts below the horizon and the tide ebbs. Visit the graveyard, islands and labyrinth. Minimum age is 10. An adult must accompany children ages 10-14. Paddling time is approximately two hours.

Henricus Visitor Center, 251 Henricus Park Road
Saturday, July 14, 6-9 p.m. \$16 **Course 33484**

Tidal Lagoon Paddle

Paddle with the naturalist to explore and discover the Dutch Gap Conservation Area. Paddle to the graveyard, islands and the labyrinth. Search for great blues, bald eagles, osprey and other denizens of the tidal lagoon. Paddling time is approximately two hours.

Henricus Visitor Center, 251 Henricus Park Road
Saturday, July 28, 5:30-8:30 p.m. \$16 **Course 33487**

Lighthouse Paddle

Launch your kayak from the southern tip of Mathews County. Next, stop at a sandy island for lunch and exploration, then continue your paddle to New Point Comfort Lighthouse, the third oldest lighthouse on the Chesapeake Bay.

NOTE: Paddling destination may change due to weather or water conditions. Minimum age is 13 (youth ages 13-15 must be accompanied by an actively participating adult). Formal kayak instruction strongly recommended. Paddling time is approximately 3.5 hours.

Parks Maintenance Office, 9201 Public Works Road
Saturday, Aug. 4, 8 a.m.-6 p.m. \$55 **Course 33481**

Seldom Seen Island

See the tidal lagoon like you never seen it before. Paddle at low tide to see exposed barges and Seldom Seen Island. See what's revealed after the water drops almost 4 feet. Minimum age is 8. An adult must accompany children aged 8-14. Paddling time is approximately two hours.

Henricus Visitor Center, 251 Henricus Park Road
Saturday, Aug. 18, 4:30-7:30 p.m. \$16 **Course 33494**

Rising Moon Paddle

Paddle and float during the evening hours at the Dutch Gap Conservation Area. Slip quietly through the waters to observe wildlife. Watch the sunset and behold the moonrise. Minimum age is 10. An adult must accompany children aged 10-14. Paddling time is approximately two hours.

Henricus Visitor Center, 251 Henricus Park Road
Saturday, Aug. 25, 5-8 p.m. \$16 **Course 33483**

Presquile Island Boat Tour

Take a pontoon boat tour around Presquile National Wildlife Refuge to learn about this important resource in the James River. Participants will also have an opportunity to explore the extensive trail system and visit the Menenak Discovery Center. Join Chesterfield County and U.S. Fish and Wildlife Service naturalists as they search for bald eagles, great blue herons, egrets and the federally endangered Atlantic sturgeon. Children under age 10 must bring their own PFD. Meet at the end of Bermuda Hundred Road (directions will be provided)

Wednesday, May 16, 7:30-10:30 a.m. **Course 33488**
Free; but register online at www.chesterfield.gov/parks

Individual and Group Canoe/Kayak Tours

Enlist the naturalist for a nature tour to discover and explore the Dutch Gap Conservation Area. All trips include canoe and/or sit-on-top kayaks, paddles, personal flotation device, basic paddling instructions and guided tour. Tours can accommodate an individual, couples or groups. For more information and to schedule a tour, call Mark Battista at 318-8735.

NATURE PROGRAMS – ROCKWOOD

For more information on these programs, call 674-1629.
www.chesterfield.gov/naturecenter

Discover our live snake, turtle and honeybee exhibits, and learn more about the plants and animals of Central Virginia. Sign up for an archery program, summer camps, environmental education programs or arrange the next outing for your class or other children's group. Our naturalists are available to answer your questions and expand your understanding of our natural world.

Location: Rockwood Park, 3401 Courthouse Rd. 804-674-1629

Volunteer for Nature: We have a variety of volunteer opportunities for adults and teens. See the latest volunteer offerings at www.chesterfield.gov.

Facility Rental: Looking for a unique, private location for your next event? The Rockwood Nature Center multipurpose room is available for rent on a first-come, first-served basis. An hourly charge will apply. The 1100-plus square foot room has a drop down projection screen, tables and chairs, and multiple sinks. Details: 674-1629

ARCHERY

Introduction to Archery

Enjoy the fun of learning a new sport, from stance to follow through, focusing on beginning form, safety and proper use of equipment. Participants will learn the basics of archery on their choice of simple compound bows or recurve bows. This class focuses on group-style target archery and is taught by USA Archery-certified instructors. All classes take place on the group instructional range located directly next to Rockwood Nature Center. Class is held rain or shine, but in the event of inclement weather, instruction and shooting take place inside the nature center's classroom. For ages 8 and older, adults and families welcome. \$20/ person

Beyond the Basics: level 1 – Archery Form Development

For those who have learned the basics of archery and are ready for more, this class will focus on more details of form and body mechanics for those who want to continue their development as a beginning-intermediate archer. Students may choose from compound- or recurve style bows. All classes take place on the group instructional range located directly next to Rockwood Nature Center. Class is held rain or shine, in the event of inclement weather, instruction and shooting will take place inside the nature center's classroom. For ages 8 and older, adults and families welcome. PREREQUISITE: Participants must have completed Chesterfield County's Introduction to Archery within the past year or participated in an archery club to be eligible for this program. \$20/person

Sunday, July 29, 2-4 p.m.

Course 33635

Course 33636

Beyond the Basics: Level 2 – Aiming and Scoring

Take your archery skills to the next level with the intermediate series of archery courses. Now it's time to work on aim and learning how to score a regulation target face. Participants will learn different aiming techniques for bare-bow, as well as how to use a basic target sight and the importance of your sight picture. Play some aiming games and end the sessions with a mini-scoring round. Class is held on the instructional archery range directly next to Rockwood Nature Center. All equipment is provided, or use your own with instructor permission. PREREQUISITE: Participants must have completed the Beyond the Basics: Level 1 course within the past year or participated in an archery club to be eligible for this program.

Sunday, Aug. 5, 2-4 p.m.

Course 33637

NATURE PROGRAMS – ROCKWOOD

For more information on these programs,
call Rockwood Nature Center, 674-1629.

Star Shooter Club New Archer Introduction

Required for all students new to archery who would like to participate in the Star Shooters Youth Archery Club but did not take an introduction to Archery Course within the past year. Participants must be enrolled in Summer courses: 33639, 33640, or 33641 to take this class.

Tuesday, Jun. 26, 5:30-7 p.m. \$10 **Course 33644**

Star Shooters Youth Archery Club

Join the Star Shooters Archery Club for an entire shooting season! This program, for kids, ages 8-16, meets weekly for eight weeks. This is a great way for kids to receive more in-depth archery instruction in a relaxed and fun atmosphere. During each class, participants will learn techniques, form and rules for target archery, as well as try different types of bows (compound and recurves), shoot archery games and perform drills to become a better archer. Twice per season, kids have the opportunity to earn one of a series of rank patches based on their personal shooting scores. Bows and equipment are provided, or use your own with instructor approval. At the end of the season, archers compete in a members-only tournament where kids can pit their skills against others in their age brackets to take home a trophy! New students with no archery experience are encouraged, but also must register for the New Archer Club Member Introduction class. Instructors are USA Archery certified. Cost includes equipment, patches, tournament medals and trophies. Three time slots are available but space is limited, so register early to be assured a spot!

Tuesdays, July 3-Aug. 21 \$100

11 a.m.-noon **Course 33639**

4-5 p.m. **Course 33640**

5:30-6:30 p.m. **Course 33641**

Tournament - Saturday Aug. 25

High School Beginner Archery

This program is a new variation of our popular archery development programs but geared toward high school aged students. Participants will learn the skills needed to gain a firm foundation in archery in a relaxed environment. This class focuses on group-style target archery and is taught by USA Archery-certified instructors. All equipment is provided. For ages 14-18.

Thursdays, July 5-Aug. 23, 5:30-7 p.m. \$85 **Course 33643**

Archery Games

Come join Rockwood's USA Archery certified instructors for a fun session of easy target games. Shoot at balloons, fruit, and other fun archery target faces. This is for novice archers only. You must have taken an Intro to Archery class in the past 12 months to attend, no formal archery instruction will be given since this is a fun day of games for new archers. Held at the range located directly next to Rockwood Nature Center. All equipment will be provided.

Saturday, Aug. 11, 10-11:30 a.m. \$20 **Course 33671**

Saturday, Aug. 11, noon-1:30 p.m. \$20 **Course 33672**

Junior Olympic Archery Development (JOAD)

This is the next step for youth archers who are experienced shooters and serious about taking their archery to the next level. JOAD is a developmental program offered by Chesterfield County Parks and Recreation that uses the USA Archery curriculum. This program is for youth, ages 8-20. To be eligible to join the JOAD program, members must own their own bow, have completed at least two seasons of the Chesterfield Star Shooters Youth Archery program and be able to shoot a score of 55 points or higher in that class (Exceptions can be made those with substantial archery experience outside of the Star Shooters program, i.e. NASP, etc.) JOAD registration cost includes star pins earned and lanyard to hold them. Additional membership in USA Archery (www.usaarchery.org) is highly recommended and required to compete in most tournaments, but not required to initially participate in the JOAD program. For registration information or information on the Golden Arrow Archers JOAD club, contact Rockwood Nature Center. For registration information, contact Rockwood Nature Center, 804-674-1629 or TrappL@Chesterfield.gov. The Pit at the Chesterfield Technical Center, 13900 Hull Street Road

SUMMER SESSION

Wednesdays, June 13-Aug. 8 \$90

2-3:30 p.m. **Course 33638**

5:30-7 p.m. **Course 33642**

FALL SESSION

Wednesdays, Aug. 15-Oct. 10 \$90

1-2:30 p.m. **Course 33668**

5:30-7 p.m. **Course 33667**

Adult Archery Practice

Join fellow adult archers on the large outdoor target archery range called The Pit, located behind the Chesterfield Career and Technical Center, for weekly practice and archery camaraderie. Archers must bring all their own equipment and know how to use it, no formal lessons will be given during practice times, but informal tips and coaching from instructors will be given as needed. Distances can be shot from 15-70 meters, all targets and FITA-style target faces will be provided.

Chesterfield Career and Technical Center at Hull, 13900 Hull Street Road

SUMMER SESSION

Fridays, June 8-Aug. 10, 6-7:30 p.m. \$60 **Course 33665**

FALL SESSION

Fridays, Aug. 17-Oct. 12, 6-7:30 p.m. \$60 **Course 33632**

NATURE PROGRAMS – ROCKWOOD

For more information on these programs,
call Rockwood Nature Center, 674-1629.

ROCKWOOD NATURE CENTER PROGRAMS

Living with Wildlife – Snakes

Human wildlife interactions occur very frequently whether they are intentional or not. This discussion-based program with Rockwood Nature Center's animal keeper, Jessi Sakiewicz, will focus on some of the do's and don'ts of interacting with wildlife, especially what you might encounter right in your own backyard. This program will focus on reptiles, with an emphasis on snakes. Participants should expect to discuss easy ways of identification, keeping the friendly snakes in your yard and what to do when dealing with venomous snakes. For ages 16+

Tuesday, June 5, 6:30-7:30 p.m. \$5 Course 33669

Geology Rocks!

Learn about and touch examples of the three major types of rocks, and discover how rocks and minerals are important to everything on earth. Check out some real Virginia fossils and learn what they tell us about the prehistoric record of the area we live in. Then, go on a rock hunt in the park to start your own amateur rock collection. Kids will get to make your own piece of geology to take home too! For ages 7-12.

Saturday July 7, 2-4 p.m. \$7 Course 33673

Faces in Nature

Bring the beauty of summer inside by participating in this art program. Create your own Creature of Summer Mask to wear or hang on the wall. You'll be using a base mask to build on, along with found natural items and your imagination! This class includes a short hike through Rockwood Park. Ages 13+

Saturday, July 14, 1-3 p.m. \$15 Course 33677

Raging Reptiles

Join Metro Richmond Zookeeper, Jessi Sakiewicz, to learn about all of the nature center's reptile friends. Enjoy hands-on interactions with turtle, lizards and snakes to see what makes reptiles so cool. Children under the age of 12 must be accompanied by a participating adult. Please register at least one week in advance.

Tuesday, July 17, 6:30-7:30 p.m. \$5 Course 33663

Summer Campfire

Join the Nature Center staff for a fun summer evening outside by the fire while learning something new about nature. Children under 12 must be accompanied by a participating adult. This event happens rain or shine. In case of rain, we will do an activity inside the classroom. Saturday, July 21, 7:30-8:30 p.m. \$5 Course 33664

Moths in the Moonlight

Have you ever been curious about the kinds of insects flying around after the sun sets? Join us at Rockwood Nature Center and check out insect observation areas set up in a range of habitats to see what kinds of insects come out in the light of the moon. Feel free to bring a camera to capture pictures of the moths, beetles, and mantids we hope to see! Whether you are an insect lover eager to learn more, or a curious individual looking to enjoy an activity on a summer night, this program is fun for the whole family!

Saturday, Aug. 11, 8-9:30 p.m. \$5 Course 33676

It's a Snake

Join the leader of Rockwood Nature Center's animal care team, Jessi Sakiewicz, to learn about Virginia's snakes. Find out how to tell the difference between venomous and non-venomous species, discover more about snake behavior, get tips about snakes as pets, and interact with Rockwood's reptiles. Children under the age of 12 must be accompanied by a participating adult. Please register at least one week in advance.

Tuesday, Aug. 28, 6:30-8:30 p.m. \$5 Course 33651

HONEY BEE FESTIVAL

Rockwood Park Backyard Beekeepers Association presents its 8th Annual Honey Bee Festival. This free event proves entertaining and informative for the entire family, whether your interest is in starting your own hive, planting a pollinator-friendly landscape, doing something to help the environment or simply purchasing a jar of delicious local honey. The festival is fun for the entire community, from those with no knowledge of the challenges facing the honey bee to experienced beekeepers. It will include short talks on a wide range of bee-related topics, how to create a bee-friendly yard, sessions with expert beekeepers, and many displays ranging from easy-to-grow native plants to different styles of beehives. Always popular with kids-of-all-ages is the honey-extracting demonstration and trying to find the queen bee in the observation hive. After face painting, storytelling and a stop at the activity table, children also can visit the Drone Petting Zoo and pet a fuzzy stinger-free bee! In addition to food trucks, there will be opportunities to purchase local honey, bee-friendly plants and a variety of pollinator-related crafts.

Rockwood Park Nature Center complex, 3401 Courthouse Road
Saturday, June 23, 10 a.m.-2 p.m.

NATURE PROGRAMS – ROCKWOOD

For more information on these programs,
call Rockwood Nature Center, 674-1629.
www.chesterfield.gov/naturecenter

50+ PROGRAMS

50+ Nature Helpers

Discover insects, bugs and crawly things hiding in plain sight in Rockwood Park. Join knowledgeable staff for a short walk around the woods close to the Nature Center to find and learn about what insects and other small creatures do for the environment. We will turn over logs, look on leaves and trees and in the dirt to identify the busy, little nature helpers.

Saturday, July 21, 9:30-11 a.m. \$7 Course 33674

50+ Introduction to Archery

For those aged 50 and older interested in archery but who don't know how to get started, the USA Archery-certified instructors are teaching a seniors-only version of our popular Introduction to Archery course. Learn the basics of this fun and rewarding sport, including the rules, safety and step-by-step shooting form for tournament-style target archery with adjustable compound bows for individuals of all strengths and draw lengths. All classes take place on the group instructional range located directly next to Rockwood Nature Center. Class is held rain or shine, in the event of inclement weather, instruction and shooting will take place inside the nature center's classroom. Minimum age is 50.

Saturday, July 14, 10 a.m.-noon \$20 Course 33631

Calling All Scouts!

Rockwood Nature Center is now offering nature themed badge workshops for scouts. A variety of nature topics and Archery, for ages 8 and older, also are available. Workshops do not include badges. For more information and to schedule a workshop, please contact Denise Flora at 745-7020 or florad@chesterfield.gov.

Tree frog exhibit coming soon.

TODDLER/PRESCHOOL NATURE PROGRAMS

Details: Denise Flora, 745-7020 florad@chesterfield.gov

Nurtured by Nature

Is your one-year-old a little nature lover? If so, this series of classes is just for you. We will have songs, movement, stories and lots of outdoor fun. We ask that each child be at least one-year-old by the first class and that younger siblings not attend.

Tuesdays, 10:30-11 a.m. \$12/per child for series of three classes

June 12 Hopping Frogs Course 33662

Aug. 7 Water Creatures

Aug. 14 Animal Sounds

My First Nature Adventure

Bring your little two-year-old nature nut to this series of nature explorations, stories and hands-on activities. We ask for each child to have their second birthday by the first class and that younger siblings not attend.

Tuesdays, 10:30-11 a.m. \$5/per child for each class

June 5 I Live at the Pond Course 33652

Aug. 21 Who Lives in a Shell? Course 33653

Aug. 28 Splish-Splash Beavers Course 33654

Nature Explorers

Bring your little nature explorer, ages 3-5, to Rockwood Nature Center each week for fun nature explorations, crafts, and stories. Fridays, 10-11 a.m. \$6/per child for each class

June 1 Who Lives in Our Pond? Course 33655

June 8 Let's Go Camping! Course 33656

Aug. 3 Busy beavers Course 33657

Aug. 10 Ants On Parade Course 33658
