August 1, 2017

Welcome!

My name is Anthony McLaurin and I am excited to serve our community as the Principal of the Chesterfield County Juvenile Detention Home School. Our aim is to provide each of our students with the academic, social and emotional support that will help them to make positive choices and commit to a life-long love of learning.

We have dedicated instructors that work in conjunction with security personnel, counselors and other stakeholders to ensure that everyone is supportive of your child and his/her academic progress. Our class sizes are very small which allows our instructors to provide each student with the level of individualized instruction that helps them to get back on track or excel beyond general academic expectations. Many of our instructors are endorsed in multiple subject areas and are able to direct instruction to support the learning style of each student.

During the 2017-2018 school year, we plan to expand upon our existing curriculum to include: Driver’s Education, Success classes, and Post-Secondary classes.

School community relations is extremely important for the benefit of our students. Please feel free to contact us at any time with questions or concerns about your student’s academic progress and transition plan to return to his/her home school. We are committed to ensuring that our students return more knowledgeable than when he/she arrived.

As Muhammad Ali once said: “Don’t count the days, make the days count!”

Sincerely,

Anthony J. McLaurin, Ed.D.
