## REAL ESTATE/MOBILE HOME TAX RELIEF FOR THE ELDERLY OR DISABLED

### ELIGIBILITY REQUIREMENTS

1. **ALL** owners must reside in the household as of December 31, 2021. For property owned by other than an applicant and spouse, tax relief would be prorated based on the percent of ownership held by qualifying applicant(s). If the deed for the property reflects less than 100% ownership by qualifying applicants, then the tax relief will be adjusted to reflect this percentage. {58.1-3211.1}
2. Applicants must be 65 years or older, or totally and permanently disabled, as of December 31, 2021.
3. The **GROSS COMBINED INCOME** is within one of the following groups:
  - (a) Income not in excess of \$33,400 – 100% Tax Relief
  - (b) Income \$33,401 through \$41,400 – 60% Tax Relief
  - (c) Income \$41,401 through \$55,200 – 35% Tax Relief

Gross combined income shall include all income from all sources of the applicant, spouse, and the applicant's relatives living in the dwelling with the applicant. The first \$10,000 of annual income of each of the applicant's relatives (except spouse) living in the dwelling shall be excluded from the computation of gross combined income. However, if the applicant can prove by clear and convincing evidence that the applicant's health has deteriorated to the point that a relative has had to move in to care for the applicant in order for the applicant to continue living in the dwelling rather than move into a hospital, nursing home, convalescent home, or other facility for physical or mental care, then none of the income of the relative or of the relative's spouse shall be counted towards the gross combined income limit, provided the applicant has not transferred assets in excess of \$10,000 to the relative without adequate consideration within a three-year period prior to or after the relative moves into the dwelling **and the relative does not have an ownership interest in the home.**

4. For property jointly owned by husband and wife or by a single taxpayer, the **COMBINED NET WORTH** of the owner(s) and spouse(s), excluding the value of the home and up to ten acres of land upon which the home is situated, must not exceed \$350,000. **Please note that only the home and up to one acre of land is eligible for actual tax relief although up to ten acres of land may be excluded from the net worth calculation.**
5. For property jointly owned by co-owners (other than husband and wife), the **COMBINED NET WORTH** of the owners must not exceed \$324,075, **WITHOUT** any exclusion for the dwelling and land.
6. Changes with respect to income, financial worth, ownership of property, or other factors occurring during the tax year for which the affidavit is filed and having the effect of exceeding or violating the limitations and conditions provided herein shall nullify any exemption for the tax year immediately following. The exemption for the tax year during which the change occurred will be prorated. Such prorated portion shall be for the number of complete months of the year such property was eligible for such exemption. Applicants must notify the Office of the Commissioner of the Revenue of any changes in ownership of the property immediately after the change.
7. Any person applying for relief due to permanent and total disability must also provide proof of such disability. When submitting an application, attach a certification by the Social Security Administration, the Veteran's Administration, or the Railroad Retirement Board to the effect that such person is permanently and totally disabled, as defined below. If such person is not eligible for certification by any of these agencies, attach sworn affidavits by two medical doctors licensed to practice medicine in the Commonwealth of Virginia, to the effect that such person is permanently and totally disabled, the nature of the disability, and the date the person became permanently and totally disabled.

If the Commissioner of the Revenue determines that said certification is not sufficient, you will be notified as to what additional information, if any, would be required.

For purposes of real estate/mobile home tax relief, the term "permanently and totally disabled" shall mean unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment or deformity which can be expected to result in death or can be expected to last for the duration of such person's life.

### ***Your Application Will Be Denied If . . .***

- Income or net worth limitations are exceeded
