Pharmacies			
AARP			AARP member and their families can access an average savings of 38% off prescription drugs.
CVS	Pharmacy Health Savings Pass program		Enrollment cost is \$15 annually per person. Whether you have limited prescription insurance or no coverage at all, you can sign up and start saving immediately. This is not an insurance plan; it's a prescription savings program. Under this program you can also receive 10% off MinuteClinic services inside select CVS/pharmacy stores.
Kmart	Prescription Savings Club		\$10 enrollment fee. You and your family are then covered for certain generic drugs (starting at \$5 for a 30-day supply and starting at \$10 for a 90-day supply). In addition you'll receive savings on non-preferred generics up to 65%, as well as 20% off brand name medications. 20% savings on flu immunization and 10% savings on all other immunizations. You can even get discounts on pet medications with a prescription from you vet.
Rite Aid	Rx Savings Program		Save 15% or more on thousands of brand name and generic prescription drugs.
Target	Prescription Savings program		Program entitles seniors (and others in the household) savings of 10-50% on prescription medications (off of retail). One membership works for everyone in you household, and you can use your card at any Target Pharmacy. In addition if you sign up for Target's Pharmacy Rewards, and fill five eligible prescriptions, you'll get a certificate for 5% off a day of shopping.

<u>Category/Item</u>	<u>Senior Age</u>	<u>Discount</u>	<u>Details</u>
Walgreens	Prescription Savings Club		An option for folks without insurance coverage. Get special discounts off the cash price of thousands of brand-name and generic medications as well as other benefits when using the Prescription Savings Club Card. Additionally, if you don't save at least the cost of your membership fee in one year, Walgreens will give you the difference.
