

**CHESTERFIELD COUNTY DEPARTMENT OF BUILDING INSPECTION
MULTI-FAMILY FEE SCHEDULE SUMMARY
7/1/2022 - 6/30/2023**

The schedule of multi-family fees listed below have been extracted from section § 5.5, Permit Fees, of the "Code of the County of Chesterfield," formatted and explained for ease of use and calculation of fees. The fees are reviewed annually by the Board of Supervisors and adjusted to cover operational expenses of the department. All permit fees are required to be paid at the time of application. Checks should be made payable to: "Treasurer, Chesterfield County." American Express®, Discover®, MasterCard®, and Visa® are also accepted.

The Chesterfield County multi-family fee schedule effective 7/1/2022 through 6/30/2023 only pertains to townhouse or townhouse buildings with units sold as condominiums, and duplex construction. For residential construction see the residential fee schedule. For commercial, apartment buildings, and apartment buildings with units sold as condominiums, see the commercial fee schedule.

FEE EXEMPTIONS

Minor work: Building permit fees are not required when the cost of construction is less than \$500 and would not require securing any permit for electrical, gas, mechanical, or plumbing work in accordance with the Virginia Uniform Statewide Building Code (VUSBC).

Accessibility ramps: Building permit fees are not required for the construction of ramps installed to provide access for persons with disabilities to single family dwellings, townhouses, and townhouse buildings with units sold as condominiums provided the permit applicant provides to the building official, proof that an individual who resides in the dwelling is medically in need of such ramp.

STATE OF VIRGINIA LEVY effective 7/1/2022 through 6/30/2023

State Levy	of base permit fee	2.00%
• The Commonwealth of Virginia imposes a state levy on all permit fees to support continuing education and training of building code enforcement personnel. The levy is calculated on Building Inspection Department fees only. For example, if the permit fee is \$100.00 the levy is \$2.00 (100x.02).	multiplier	0.02
