Dear Citizen:

On behalf of the Honorable James Holland, member of the Board of Supervisors for the Dale District, and Michael Jackson, Planning Commission for the Dale District, I would like to invite you to attend an informational meeting about the new Cogbill Park master plan on Wednesday, November 7, 2018 from 7:00 – 8:30 p.m. in the Community Room at SwimRVA located at 5050 Ridgedale Parkway, N. Chesterfield, VA 23234.

This third Public Information Meeting will present a master plan incorporating comments received from the two public meetings held earlier this year. You will find interests identified during these sessions reflected in the final plan. Park facilities presented at this meeting will include trails, picnic facilities, sprayground, amphitheater and a community garden.

In addition to the Cogbill Park master plan presentation, the Planning Department will present an overview of the draft Comprehensive Plan Update. The Comprehensive Plan, adopted in 2012, is the county's long-range growth and development guide and has been under revision with the Planning Commission since 2016. Attendees will have an opportunity to engage with staff and officials relative to this effort. For more information on the county's Comprehensive Plan Update, visit [www.chesterfield.gov/compplanupdate](http://www.chesterfield.gov/compplanupdate) to view the draft plan, provide input and/or to sign up to be notified of further outreach efforts.

We look forward to your continued participation and input on this new community park and the Public Facilities Plan. Visit the Chesterfield County [Parks and Facilities website](#) for updated information about the Cogbill Park master plan or contact Janit Llewellyn at Chesterfield County Parks and Recreation at (804) 751-4482 or [llewellynja@chesterfield.gov](mailto:llewellynja@chesterfield.gov).

Sincerely,

James D. Worsley  
Director
