

LOCK UP YOUR MEDS!

Perfect For:
Home • School
Work • Travel

SAFETY • SECURITY • PRIVACY

Combination lock restricts access to pain pills, anxiety meds, insulin syringes, anti-depressants, sleeping pills, and other strong medications.

5 Reasons to Safeguard Your Medications:

1. YOU HAVE A PRESCRIPTION.
2. YOU HAVE OVER-THE-COUNTER MEDS.
3. YOU HAVE SMALL CHILDREN.
4. YOU HAVE TEENS OR PRE-TEENS.
5. YOUR PET HAS A PRESCRIPTION.

THE BIGGEST REASON IS TO PROTECT PEOPLE FROM ACCIDENTS AND MISUSE THAT COULD LEAD TO ADDICTION AND DEATH.
